Dear Parents/Carers

This Week

On Monday the children attended an assembly where we spoke about remembering to use good manners. We spoke about the importance of being polite, sharing, taking turns and helping others. We then discussed other rules that we follow in school such as using our indoor voice, walking, not running and standing in line quietly. We spoke about why it is important that we should use these good manners every day and how they can help us.

On Thursday it was our Summer Fete. Thank you to everybody who came along and helped make it so successful. Some fantastic prizes were won and I hope you enjoyed the event. We will advise how much money was raised next week. Your continued support with our events is appreciated. I would like to thank the PTA and staff members for all their hard work and support in this event.

Next Week

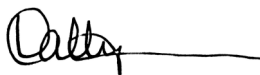

Sports Day for Reception, Year 1 and Year 2 will be held on Monday (timings are on page 2) and our Nursery Sports Day on Tuesday. We look forward to seeing you.

Year 2 will watch a magic show next Thursday together with the Year 3 Alton Park children.

The last day of term will be Friday 19th July and all children will finish at 3pm normal time. All children are invited to come to school on this day in fancy dress, in return for a £1 donation. More details will be sent out shortly.

I hope you have a lovely weekend.

Kind regards

Mrs K Maguire-Egan

Reducing our Carbon Footprint

Below are this week's tips on how to save money and reduce our carbon footprint.

THIS WEEK'S ENERGY SAVING TIPS

Install insulation in the loft. This will help prevent heat escaping up through the top of your property (ideally 100% natural sheep wool).

Install a low flow shower head.

Use microwaves to cook food—they use only 20% of the energy required to run a full size oven.
